The copy filmed here has been reproduced thanks to the generosity of:

Legislative Library,  
Fredericton.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque législative,  
Fredericton.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Dated this — day of — 18 —;" and shall cause a copy of the same to be filed in the office of the Secretary for Agriculture. They shall thereupon become a body corporate by such name as they shall designate, with all the privileges and obligations incident to corporations by law; but such privileges shall continue to each Society respectively so long only as it shall consist of forty members or more, and which members shall annually subscribe or raise, and pay in as aforesaid, the sum of at least sixty dollars, in furtherance of the objects of the Society, as hereinafter set forth; provided nevertheless, that not more than four such Societies shall be entitled to the benefits and privileges of this Act in any one County, and that no Society shall go into operation under the provisions of this regulation without the previous sanction of the Governor in Council.

2. The object of such Societies shall be to encourage the production, cultivation, and improvement of Seeds, Vegetables, and Fruits; to promote the introduction of improved stock, improved implements of husbandry, better system of culture, improvements in farm buildings, farm arrangements, and domestic manufactures; to hold shows, ploughing matches, and exhibitions; to award premiums for excellence; to collect and diffuse information on all subjects connected with Agriculture, Horticulture, and floral pursuits; to solicit and receive donations; and generally, by every legitimate means, to elevate the Agricultural character of their respective districts.

16. Any Agricultural Society, by its officers, is hereby authorized and empowered to define and lay off bounds for pens and yards; make appropriations in money for cattle shows and exhibitions, and provide suitable places for ploughing matches, and ways and passages towards the same, as may be considered necessary; and no person shall intrude upon such lands, or enter the same, unless in conformity with the rules of such Society, or without the authority or consent of some officer of the Society then present; and any person, after notice, intruding upon or entering such bounds, shall forfeit the sum of two dollars, to be recovered before any Justice of the Peace of the County on complaint of any officer of the Society, according to the provisions of the one hundred and thirty-eighth chapter of the Revised Statutes, and when recovered shall be paid over to the County Treasurer for the use of the County; provided that nothing herein contained shall extend, or be construed to extend, to authorize any Agricultural Society to occupy any land without the consent of the owner, or any public highway in such manner as to obstruct the public use thereof.

17. The several Agricultural Societies shall be subject to the supervision of the Governor in Council, and shall be accountable thereto; and the Secretary for Agriculture shall have the right to attend the meeting of any Agricultural Society and be present at their deliberations, and also to examine the books and papers of any Society, and take copies of the same, as he may think proper; and may, if he deem it necessary, hold an enquiry, under oath, into the affairs and management of any Society.
